Enforcement Policy

Summary of Enforcement Policy

1. Send Courtesy Warning Letter (curable violations only - optional)
2. Send 209 Violation Notice (In accordance with Texas Property Code Ch. 209)
3. Levy fines and/or damage assessments as appropriate
4. Subsequent Violation Notices (optional)

The Board may vary from this policy on a case-by-case basis so long as the enforcement process meets state law requirements. Variances may include sending no Courtesy Warning Letter, sending more than one, and/or setting fines at levels other than as indicated on the Standard Fine Schedule.

1. **Types of Violations and Acts Covered.** The Board has adopted this policy to address situations where an owner has committed or is responsible for a violation of the deed restrictions other than by failing to pay assessments or other sums due to the Association. Delinquency violations are handled by an alternate process. This policy also covers situations where an owner or someone the owner is responsible for has damaged Association property.

4. **Violation Notices.**
 - i. Courtesy Warning Letter (curable violations only). Upon becoming aware of a deed restriction violation that is curable (*see* Section 2(i) above) and at the sole option of the Board or management professional, the Association may send a Courtesy Warning Letter requesting that the owner cure that violation by a date certain to avoid fines or other enforcement action.
 - ii. 209 Violation Notice. If a violation is not cured in response to any Courtesy Warning Letter or if a Courtesy Warning Letter is not sent, the Board, in addition to all other available remedies, may:
 - A. Levy a fine;
 - B. Suspend the owner's right to use common area, if allowed under the governing documents; and/or
 - C. Charge the owner for damage to common area.

Any such action shall be initiated by sending a 209 Violation Notice to the owner. The 209 Violation Notice shall:

- A. Be in writing and sent certified mail to the most current owner address shown on the Association's records;

- B. Describe the violation or property damage at issue;
- C. State the amount of any property damage charge or fine that may be levied against the owner;
- D. If the violation is curable and does not pose a threat to public health or safety, state a reasonable, specific date by which the owner may cure the violation and avoid any fine levied in the 209 Violation Notice; (there is no right to cure if the violation is uncurable, poses a threat to health or safety, or involves damage to property);
- E. Inform the owner that owner has a right to request a Board hearing to discuss the enforcement action on or before the 30th day after the notice was mailed to the owner (*see* Section 6 below);

- F. Inform the owner that owner will be responsible for attorney fees and costs incurred in relation to the violation if the violation continues after a specific date; such fees and costs may be assessed to the owner's account after a hearing is held or, if a hearing is not requested, after the deadline for requesting a hearing has passed;
 - G. Inform the owner that owner may have special rights or relief related to enforcement under federal law, including the Service Members Civil Relief Act; and
 - H. Otherwise comply with Section 209 of the Texas Property Code and state law.
- iii. Subsequent Violation Notices for continuing or repeat violations. If an owner has been sent a 209 Violation Notice for a violation and the same violation continues or a similar violation is committed within six months of the 209 Violation Notice, the Association may levy additional fines either with or without notice to the owner. If it desires to send notice of additional fines, the Association shall do so by means of a Subsequent Violation Notice. A Subsequent Violation Notice may be of any form and sent in any manner, as by law such notices are not required to comply with Section 209 of the Texas Property Code, including the requirements set forth in Section 4(ii) above.
5. **Standard Fine Schedule and Processing Procedures.** Below is the Standard Fine Schedule and Processing Procedures for deed restriction violations. *The Board may vary from this schedule on a case-by-case basis (i.e., set fines higher or lower than indicated below), so long as that decision is based upon the facts surrounding that violation. The Board also may change the fine amounts in this Standard Fine Schedule at any time by resolution, with no need to formally amend this Enforcement Policy.*

The Board may impose rules of conduct for the hearing and limit the amount of time allotted to an owner to present his/her information to the Board. The Board may either make its decision at the hearing or take the matter under advisement and communicate its decision to the owner later.
