

No. 111215
WHITEWATER SPRINGS POA BOARD OF DIRECTORS
RESOLUTION REGARDING OPEN BURNING OF SLASH, BRUSH, TREES OR
OTHER CONBUSTIBLE MATERIALS

WHEREAS, the Whitewater Springs Subdivision Board of Directors has found that open burning of slash, brush, trees and other combustible materials may pose a threat to the public health and safety of Whitewater Springs residents and property owners: and

WHEREAS, Burnet County Commissioners Court and the Texas Commission on Environmental Quality have adopted and propagate rules, regulations and guidelines pertaining to the open burning of combustible materials.

NOW THEREFORE, it is resolved by the Board of Directors of the Whitewater Springs Property Owners Association as follows:

Section 1: The above recitals are true and correct and are incorporated into this Resolution for all purposes.

Section 2: All Whitewater Springs property owners, their assignees and contractors shall conduct open burns in strict compliance with the rules, regulations and guidelines set forth and promulgated by Burnet County and the Texas Commission on Environmental Quality.

PASSED AND APPROVED this _____ day of _____, 2015.

Donald G. Rauschuber
President, Board of Directors
