Dear LaDale and Don,

The Postmaster from Bertram called me earlier and asked that we get additional Mailboxes....
We have 3 new residents who need boxes now..

I talked with Charles Mickel who was President when the POA added the last mailboxes....He said he thought the Postoffice paid for and installed the them....The Postmaster said he would not authorize the Postoffice to pay ...he sent me these to consider....

Mickel also told me that Allen Palmer had arrange to have the boxes installed..

How do you suggest we proceed with the matter?

Best regards,

Priscilla
