Hire Local Portable Shower Rental Services

Shower Trailers come with a variety of options. Self-Contained facilities can be transported to any site that allows access for service trucks to come within 25'. Most rentals have the capability of hooking into city water and sewer lines. Units are available nationwide, [click HERE to Rent 1, 2, 3, 4, 6, 8, 16 and 28 stall Shower trailers](#). A good example is the Ameri-Can Engineering Eight Plex featured below. This unit has 8 private stalls with a gray water holding tank capacity of 800 gallons and a 275 gallon (nonpotable) fresh water tank.
